Enrichment Funds Appeal Process

This appeals process may be used if a TFN member is in disagreement with a decision by the Enrichment Clerk and/or the Enrichment Committee.

Temagami First Nation Member must file an Appeal that is received by the Enrichment Committee within four (4) weeks of the decision that is deemed to be justified for an appeal. The letter of Appeal should be sent to the Enrichment Committee.

The Appeal letter needs to be detailed in explaining the issue/problem with specific reference to the policy that is in dispute.

The Enrichment Clerk will call a meeting with the Enrichment Committee to review the appeal. The appellant may attend this meeting to add further argument or answer any questions regarding the matter. The Enrichment Committee will issue a written decision to the appellants within one week of the committee's decision, which must be determined within two weeks of the appeal meeting.

If the appellant does not agree with the decision of the Enrichment Committee, the appellant may appeal to Chief and Council. (Chief and Council will let the Enrichment Committee know when the appeal will be heard so the chair or co-chair or alternate can be in attendance with a report regarding the appeal.)

Chief and Council decision is final.
