

Welcome Jamie Friday as the new Secretary/Membership Clerk!

I wanted to take the time to introduce myself as the new Secretary/Membership Clerk for Temagami First Nation. I started in my position on August 29th and have since been getting in the swing of things, training, and getting comfortable in my new position. I've been back in the community for the past couples years with my children Emily, Brianna, and Adonis, who attend the Laura McKenzie Learning Centre and Timiskaming District Secondary School. I have worked with the Lands & Resources Department, as administrative support, and under the n'Daki Menan mapping project as a researcher. I look forward to working with all members, staff, and community residents in the future. I can be reached at 705-237-8943 or by email at jamie.friday@temagamifirstnation.ca

Sending warm farewell wishes to Deb Charyna in her new job at Saugeen First Nation!

Deb was with Temagami First Nation for almost 11 years and now has moved on to a new HR position with Saugeen First Nation. Deb originally started out as a relief worker at the Daycare in October 2005, as well as assisting at the Family Healing and Wellness. In November 2005 she was hired as the Communications Officer with the TAA Negotiation Team until January 2007 where she was seconded to do a Mat Leave at the LMLC for one year. In 2008 she started at the Band Office in the HR role and was there for almost 8 years. Deb says "It was a great experience with Temagami First Nation and I do hope we will work together again in the future". Good Luck Deb!!

A big THANK YOU to the TFN and Local camps for sponsoring 18 children to go to camp this summer. How lucky they are to be able to attend these great local camps right here on Lake Temagami and create some great friends and lifelong memories. Some of their best memories are going to camp, and a bonus is gaining confidence and learning new skills!

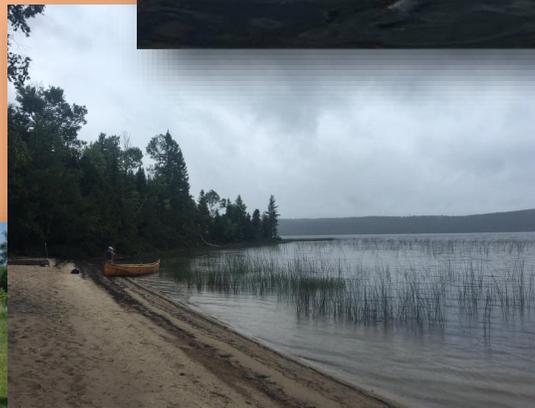

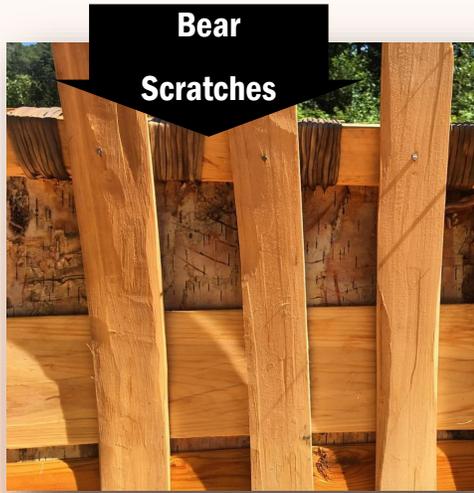

Canoe Build

The Birch Bark Canoe build of 2016 is now complete, the canoe is named Mukwa Jiimaan (Bear Canoe) The name comes from the fact that the Birch Bark has Bear Claw marks on the bark from when the tree was standing, Mukwa Jiimaan went on its first trip to Obabika Lake!

OUR LANDS

OUR FUTURE

Kwe Kwe to all **TFN Members** from all places on Turtle Island
Greetings from the Land Code team

As the summer winds cool down for a change in seasons on nDaki Menan you should have received an edition of the **LAND CODE NEWS** – Summer 2016 that was mailed out or dropped off at your door August 26 or 27, 2016.

If you didn't receive a copy please contact us and we'll get one to you. It is important that you receive information on the Land Code since it affects the rights of all TFN members and the path of future generations. It doesn't matter if you live on or off reserve. Our goal is to inform all members as best we can so that come time to vote you are well informed and understand the choices at hand. A vote date has **not** been announced yet. This depends on reaching a "good level of consultation" with the membership at large. Future consultation dates for gatherings in key cities and towns will be announced soon so members can take in some of these sessions. **In the meantime we would be happy to arrange a home visit for you or a group to share information and answer your questions in an informal setting. Just let us know at 705-237-8600 or email david.laronde@temagamifirstnation.ca**

Our website is www.temagamilandcode.com and in conjunction there is a resource support website at www.LABRC.com We urge you to take the time and look into what the Land Code can mean to you, our people and future generations to come.
