- (2) This Annex sets out the environmental assessment process that will apply to projects on First Nation Land until the enactment and coming into force of First Nation Laws on that subject.
- (3) The First Nation shall conduct an assessment process in respect of every project on First Nation Land consistent with:
 - (a) CEAA (1992), or
 - (b) CEAA 2012.
- (4) Notwithstanding clause (3), the First Nation is not required to conduct an additional environmental assessment if the First Nation decides to adopt an environmental assessment that Canada conducts in respect of that project.
- (5) If the First Nation elects to use a process consistent with CEAA (1992), the following applies:
 - (a) When the First Nation is considering the approval, regulation, funding or undertaking of a project on First Nation Land that is not described in the exclusion list as defined in CEAA (1992), the Council of the First Nation shall ensure that an environmental assessment of the project is carried out in accordance with a process that is consistent with that of CEAA (1992).  - (i) is not likely to cause significant adverse environmental effects as defined in CEAA 2012; or
